12 This is a case relating to the appt of one
Kagharaja Brahmadewa Sharma, a candidate
of Jain Community in the advertised special
vacancy no 471 of 41-42 of Octroi Manager,
French Rocks Municipality in grades 15-1-20
in preference to one K N Miniswamy who
is Boda (Beda) by caste + being qualified

13 It is seen from the papers put up here that
that the Beda Community - is not represented
in the unit of the DC Mandal, whereas
the Jain Community - is said to have been represented

According to rules, the selection of candidates should be confined only to candidates of unrepresented communities.

14 In the circumstances, the contention of the PSC that the candidate of the Nayak Community - should be appointed may be accepted.

$\frac{P-22}{12.3.43}$ $\frac{mbr}{22}$ 15 The Public Service Commission has taken objection on the ground that the better qualified candidate has not been selected for appointment. This better qualified candidate viz K N Munirama - aya is a Nayak (Bedar) by community which is not represented in the SC unit. Hence this candidate has got to be appointed in preference to the selected candidate Nagaraja Brahma Desai (Secy)

16 The candidate appointed is a member of the Jayan community whereas also one of the minor communities. The DC has stated that there is no gain appointment in that unit. As the appointment (of the Manager in 15) has already been made by the DC to the candidate has been holding the post since 1-7-1942 the arrangement is approved. He claims
